Appendix: The partnership between CIMB and Sompo

The CIMB Group is Malaysia's second largest financial services provider and one of ASEAN's leading universal banking groups. Headquartered in Kuala Lumpur, the CIMB Group is now present in nine out of ten ASEAN nations (Malaysia, Indonesia, Singapore, Thailand, Cambodia, Brunei, Vietnam, Myanmar and Laos). Beyond ASEAN, the group has a market presence in China, Hong Kong, Bahrain, India, Sri Lanka, Taiwan, Korea, the U.S. and the U.K.

On June 3, 2016, Sompo entered into a long-term regional non-life bancassurance distribution agreement with the CIMB Group. Through this partnership, Sompo will be able to distribute its non-life insurance products in four core markets, namely, Malaysia, Indonesia, Singapore, and Thailand, subject to execution of individual country agreements.

We regard bancassurance to be one of the primary sales channels for Sompo in the ASEAN region. We will continue to expand our overseas business by providing high-quality service to every customer, including potential new customers of the CIMB Group.
